

## Fresh Aero Stainless Steel Tiedown Eye Bolts for Van's RVs

Thank you for purchasing our stainless steel tiedown eye bolts for your Van's RV. These eye bolts have been tested to over 2000 pounds tensile strength with no deformation, stretch or indication of impending failure. They are strong!

You're an RV owner, so you don't need instructions for installing these eye bolts. The nylon washers are supplied for alignment and to prevent abrading your aircraft.

Enjoy your Fresh Aero RV stainless steel tiedown eyebolts
